## Luciana Valle Midwest Intensivo Weekend

ST PAUL, MINNESOTA – DEC 1-4, 2017

Internationally renowned and admired, Luciana Valle has been inspiring and elevating dancers for over two decades with her virtuosic knowledge and laser sharp insights into the structure, spirit, and performance of tango. Twice each year, dancers from around the world attend her B.A intensivos. Local teachers vie for the honor of being her assistants, and only the highest caliber succeed.

Luciana is an exceptional dancer, but more importantly, she is an extraordinary teacher. As a dancer, Luciana understands tango from the soles of her feet to the soul of her being. And as a teacher, Luciana communicates tango with clarity, passion, humor, and the unmistakable authority of expansive knowledge. With Luciana, there is no question that you are with a master. This fall, for the first time ever, you can sample her intensivo experience without the intensivo air-fares.

It is our distinct pleasure to welcome you to join us for our first Luciana Valle, Midwest Intensivo Weekend.
